Official Diary  
(Acting DD/I)

Thursday, 11 December 1952

1. At morning meeting, mentioned complicated and somewhat disquieting developments in Indonesia (IN 19862 )

2. Gave DCI Summary Evaluation draft.

25X1A9a 3. In talking generally about rotation, DCI mentioned a replacement for [REDACTED] and indicated he would offer the post first to [REDACTED]. I said 25X1A9a in my opinion [REDACTED] was fully competent to take over as AD/O and further that I saw no objection to [REDACTED] as DAD/O. 25X1A9a

4. Greeted and outlined the O/RR work for the Consultants' Panel Meeting today through Saturday.

5. Attended IAC meeting which passed NIE-64, Part I, Revision and Supplement. Discussed the manner of procedure with respect to NIE-78 [REDACTED] 25X1A2g

6. Lunched with O/RR consultants and Division Chiefs.

7. Attended dry run of Eisenhower briefing put on by O/CI people. DCI not too well pleased but made no criticisms or suggestions that cannot be taken care of prior to the dress rehearsal next week. Afterwards, conferred in detail on this matter with DCI alone and then with Sheldon, [REDACTED] 25X1A9a Major instructions were to get the JCS briefer to handle Korea; to revise the maps so as to play down relief and stress critical terrain features such as rivers, etc.; to repair the balance of the briefing so that it can be given by, at most, two people and possibly one. Stated I would take a substantial part of the first one as per DCI indication.

8. AD/CI presented the Watchpot to DCI who was favorably impressed and indicated he would like to see it integrated with the Current Intelligence Bulletin as a substitute for the present index. 7 ABCI

25X1A9a 9. Conferred briefly with [REDACTED] and passed a draft he had prepared for DCI signature to [REDACTED] this morning. 25X1A9a

10. Dined with O/RR consultants, Dulles, [REDACTED] 25X1A9a and other ADs, plus Allen Evans of State.

[REDACTED] 25X1A9a
